

XERO INVOICE AUTOMATION — COST ESTIMATION REPORT

Commercial Quotation, Managed Server Hosting, Maintenance SLA & Client ROI Model

Target System: Turnkey Email-to-Xero Automation	Prepared Date: August 2026
Service Model: Fully Managed Cloud Server + Maintenance SLA	Base Currency: USD (\$)
Setup Scope: 1-Click Xero OAuth + IMAP Mailbox + Verification	Setup Turnaround: Same-Day Onboarding (15–30 Mins)

1. RECOMMENDED COMMERCIAL PACKAGES (SME PRICING)

Turnkey packages combining one-time onboarding, 24/7 cloud server hosting, automated AI extraction, and ongoing maintenance SLA:

Package Tier	One-Time Setup	Monthly Retainer	Monthly Invoice Quota	Included Services & SLA
Starter SME Plan <i>(For small business)</i>	\$150.00	\$100.00 / mo	Up to 200 invoices / mo	Cloud server hosting, real-time IMAP watcher, standard email support, automated daily backups
Standard Business <i>(Recommended — Best Value)</i>	\$250.00	\$150.00 / mo	Up to 600 invoices / mo	High-speed server hosting, priority parsing queue, Xero OAuth maintenance, uptime monitoring SLA
Pro / High-Volume <i>(High volume / Multi-entity)</i>	\$350.00	\$200.00 / mo	Up to 1,500 invoices / mo	Dedicated high-volume queue, multi-currency support, custom account codes, priority on-call support

2. ITEMIZED SERVICE & COST BREAKDOWN

A clear, transparent breakdown of onboarding, hosting, maintenance, and third-party software fees:

Component / Service Item	Billing Frequency	Fee (USD)	Scope & Description
1. System Onboarding & Setup	One-Time Fee	\$250.00	Xero OAuth2 connection, IMAP email mailbox linking, chart of accounts mapping (Account 310 / GST rates), and pilot verification test.
2. Cloud Server Hosting & Pipeline	Monthly Recurring	\$100.00 / mo	24/7 dedicated cloud server VPS (8GB RAM / 200GB SSD), real-time email watcher, automated AI extraction queue, and live review dashboard.
3. System Maintenance & Support SLA	Monthly Recurring	\$50.00 / mo	Continuous uptime monitoring, Xero OAuth token auto-refreshes, daily SQLite database backups, error triage, and technical maintenance.
TOTAL MONTHLY SERVICE RETAINER	Monthly (Bundled)	\$150.00 / mo	Complete all-inclusive managed software service (Standard Tier)
4. Client Xero Subscription (Standard)	Monthly (Direct to Xero)	~\$35 – \$45 / mo	Client's existing Xero business plan (e.g. Grow / Growing plan for unlimited bills). Paid directly to Xero.
5. Email Inbox Connection (IMAP)	Monthly	\$0.00 (Included)	Connects directly to client's existing mailbox (Gmail / Google Workspace / Microsoft 365 / Outlook).

3. WHAT IS INCLUDED IN THE ONGOING MAINTENANCE SLA (\$50/MO)

The ongoing maintenance retainer ensures the automation runs smoothly 24/7 without requiring any internal IT staff on the client's side:

Maintenance Scope	What We Manage For You	Client Value & Benefit
24/7 Uptime & Watcher Health	Monitoring persistent IMAP connections to ensure no incoming supplier email is missed or delayed.	Zero lost bills, 100% reliable real-time intake.
Xero OAuth Token Maintenance	Managing token lifecycle, auto-refreshes, and preventing authentication disconnects.	Uninterrupted sync into Xero without re-login friction.

Daily Automated DB Backups	Automated daily snapshots of all invoice records, transaction histories, and audit trails.	Complete disaster recovery protection & tax audit safety.
Parsing Support & Bug Fixes	Fast support if an unusual supplier PDF format requires adjustment or verification.	Dedicated technical resolution within guaranteed SLA.

4. CLIENT RETURN ON INVESTMENT (ROI) & LABOR SAVINGS

Financial model proving the immediate cost reduction achieved by replacing manual data entry with the automated pipeline:

Parameter / Financial Metric	Manual Data Entry	Automated Pipeline (Standard)	Net Client Benefit
Monthly Invoice Volume	300 invoices / mo	300 invoices / mo	100% automated intake
Human Labor Required	25.0 Hours (@ 5 min/inv)	2.5 Hours (30s review)	22.5 Hours saved / month
Monthly Labor Cost (@ \$25/hr)	\$625.00 / month	\$62.50 / month	\$562.50 / month saved
Managed Server & Maintenance Fee	\$0.00	\$150.00 / month	-\$150.00 / month fee
Xero Business Subscription (Baseline)	\$40.00 / month	\$40.00 / month	\$0.00 (Standard baseline)
TOTAL MONTHLY COST TO CLIENT	\$665.00 / month	\$252.50 / month	+\$412.50 / MONTH SAVINGS
ANNUAL NET VALUE TO CLIENT	\$7,980.00 / year	\$3,030.00 / year	+\$4,950.00 / YEAR NET PROFIT

5. EXECUTIVE SUMMARY FOR CLIENT QUOTATION

- **One-Time Setup Fee (\$250):** Covers turnkey connection of Xero OAuth, IMAP email mailbox, Chart of Accounts mapping, and pilot test verification.
- **Monthly Managed Retainer (\$150/mo):** Combines dedicated 24/7 cloud server hosting (\$100/mo) and ongoing system maintenance & uptime support SLA (\$50/mo).
- **Client ROI:** The client saves **\$412.50 every month (\$4,950 / year)** in manual bookkeeping labor, paying off the setup fee in **less than 3 weeks**.
